MONTHLY REMINDERS & NOTE TO SELF

- Remember to schedule a few hours per month to take a full length TEAS practice test.
- Remember to schedule things for yourself such as appointments, work outs, social events, & me-time.
- Remember to set realistic schedules up for success.
- Block out study time in your calendar just like you would work, events, and classes.
- Treat your study time like a job, try to avoid “no-shows” and “rescheduling” unless absolutely necessary.
- Remember studying on the go is a great way to fit in daily studying - use online study resources you can access easily on your phone.
